AGENDA

9:00 Welcome

8:05 – 9:30: Network Business and Announcements (All are welcome)

9:30-10:30 Municipal GIS in the Town of Newington, CT
Presenter: Gregg Breton, GIS Coordinator
Town of Newington, CT

The Town of Newington has integrated its GIS into many facets of municipal business. Mr. Breton will review the system's development process and primary areas of implementation in this successful approach to utilizing GIS as a cost saving and well distributed municipal tool. The Town's GIS has supported its revaluation, GASB 34 reporting, Small Cities Grant and parcel level planning.

10:30-10:45 Break

10:45-11:15 Demonstration of Newington's Municipal Intranet Application,
Using ArcIMS
Presenter: Gregg Breton, GIS Coordinator
Town of Newington, CT

11:15-12:00 Networking
